These settlements became Monasteries by bringing building, and living, materials by ladders and baskets. The Meteora Monasteries are notorious for preserving not only the Hellenic religion, but also, their academics and arts. During your visit, you'll view stunning Byzantine art, and the breathtaking scenery. Continue to Delphi for dinner and overnight.

Saint Paul lived in Corinth for two years and wrote four letters, all with the overarching theme of love. In Corinth, you'll see the remains of first century shops, the site of Saint Paul's trial by Gallio, the Fountain of Peirene, and the Temple of Apollo. *Meals - (B,D) Overnight - Titania 4* hotel (Athens)*
